

FINCARE STRIP SOLVE

DESCRIPTION

Fincare Strip Solve is thick, solvent-based, high viscosity stripping gel formulated to strip acrylic sealers including vertical or overhead masonry and concrete surfaces. Fincare Strip Solve will emulsify the treated coating allowing water wash-off for most paint and topical sealers. Not suitable for epoxies and urethanes.

USES

- Walls and floors
- Bridge escarpments

FEATURES AND BENEFITS

- Allows water wash-off
- High viscous gel suitable for vertical and overhead surface

TYPICAL PROPERTIES

Boiling point (°C)	110 - 202
Solubility in water	Miscible
Specific gravity	0.90

APPLICATION GUIDELINES

Application Method

Ensure the material is thoroughly mixed prior to application. Apply with natural bristle brush, squeegee or spay at sufficient rate to achieve consistent coverage.

Allow Fincare Strip Solve to dwell on the surface until the film changes colour and bubbles.

Remove the contaminant with brush, mop, vacuum, auto scrubber or pressure washer until all contaminants are removed. Rinse all surfaces thoroughly with clean water, noting to wash vertical surfaces from the top down to avoid re-soiling of cleaned areas.

PACKAGING

20L plastic cube

SHELF LIFE

2 year in unopened, factory sealed container stored safely at temperatures between 5°C-35°C.

SAFETY PRECAUTIONS

Always wear adequate personal protection during use including gloves, eye protection, overalls and appropriate mask. Apply in adequate ventilation.

Refer to Material Safety Data Sheet for further safety information.

DISCLAIMER / STATEMENT OF RESPONSIBILITY

Purchase or use of the product referred above ('the Product') constitutes acceptance of these terms. Any information provided by Vulk Pty Ltd ('Vulk') is of a general nature and should not be taken as advice and is, to the extent permitted by law, provided without warranty as to the accuracy, reliability or completeness of that information. Further, no warranty is provided in respect to the quality, suitability or fitness for purpose of the Product. Expert advice should be taken in respect to any use of the Product.

So far as is permitted by law, any party purchasing or using the Product indemnifies Vulk against and releases Vulk from any claim, liability, loss, cost or similar directly or indirectly arising out of the supply or use of the Product or this technical data sheet. Vulk's liability to any party is limited to cost of replacement or repair of the Product and is reduced proportionately to the extent that an act or omission of any other party contributes to the liability.
