

FINSEAL XYLENE

DESCRIPTION

Finseal Xylene is a versatile high solvency hydrocarbon solvent for removing grease, oil, dirt, polymeric surface coatings. Finseal Xylene is designed for thinning and stripping sealers specifically for solvent based Finseal sealers.

USES

- Thinning for solvent based (SBA) sealers
- Stripping for solvent based acrylic (SBA) sealers
- Removes grease, oil and dirt to tools and equipment

FEATURES AND BENEFITS

- Colourless
- Non-foaming
- High solvency
- Versatile and will combine well with other organic compounds

APPLICATION GUIDELINES

Thinning Sealers

Read and follow relevant Finduro Finseal GLOW TDS when thinning sealers.

Stripping Sealers

Conduct a small test patch in an inconspicuous area to ensure adequate product performance, substrate porosity and provide an indication of the time required to complete project.

Apply sealer with solvent resistant spray unit at sufficient rate to achieve consistent coverage in even coats.

Apply to surface with a stiff broom or brush. Wait until all layers of sealers are fully dissolved before cleaning the surface with stiff broom or brush. It is not necessary to clean the surface with water after using the product.

IMPORTANT

Application Conditions

Finseal Xylene is not suitable for water based systems.

Application of Finseal Xylene in excessively hot temperatures in direct sunlight is not recommended.

Flammable.

PACKAGING

20L metal pail

SHELF LIFE

1 year in unopened, factory sealed container. Safely stored at temperatures between 5°C-35°C.

SAFETY PRECAUTIONS

Always wear adequate personal protection during use including gloves, eye protection, overalls and appropriate mask. Apply in adequate ventilation. Refer to Material Safety Data Sheet for further safety information.

DISCLAIMER / STATEMENT OF RESPONSIBILITY

Purchase or use of the product referred above ('the Product') constitutes acceptance of these terms. Any information provided by Vulk Pty Ltd ('Vulk') is of a general nature and should not be taken as advice and is, to the extent permitted by law, provided without warranty as to the accuracy, reliability or completeness of that information. Further, no warranty is provided in respect to the quality, suitability or fitness for purpose of the Product. Expert advice should be taken in respect to any use of the Product.

So far as is permitted by law, any party purchasing or using the Product indemnifies Vulk against and releases Vulk from any claim, liability, loss, cost or similar directly or indirectly arising out of the supply or use of the Product or this technical data sheet. Vulk's liability to any party is limited to cost of replacement or repair of the Product and is reduced proportionately to the extent that an act or omission of any other party contributes to the liability.
