

FINCARE RUST CLEAN

DESCRIPTION

Fincare RUST CLEAN is excellent for cleaning or removing staining from cementitious and masonry substrates such as:

- Spear-pump or bore water stains
- Green vanadium stains that can occur on light/cream bricks & terracotta (if cleaned with hydrochloric acid.)
- Iron stains from radiator spills, or iron stone stains in exposed aggregate or scratch coats.
- Hardwood and tannin stains.

Be aware that Fincare RUST CLEAN can bleach some naturally occurring colours, so ALWAYS pre-test prior to use.

DO NOT mix with other bleaches or chemicals.

APPLICATION DIRECTIONS

Use Fincare RUST CLEAN to remove hardwood, spear pump, vanadium (green) or iron stains by applying "neat" with a brush or sponge, allow to work 30-60 minutes, then wash off with water.

As Fincare RUST CLEAN has a bleaching effect, special care should be taken to avoid a patchy result, if only spot areas are to be treated.

Use on dark brickwork is NOT recommended unless pre-tested in an unobtrusive place and approved. Repeat application as required.

IMPORTANT

Oxalic acid can react spontaneously with sodium hypochlorite (liquid pool chlorine) releasing chlorine gas.

PACKAGING

20L plastic cube

SHELF LIFE

2 year in unopened, factory sealed container stored safely at temperatures between 5°C-35°C.

SAFETY PRECAUTIONS

Always wear adequate personal protection during use including gloves, eye protection, overalls and appropriate mask. Apply in adequate ventilation. Refer to material Safety Data Sheet for further safety information.

DISCLAIMER / STATEMENT OF RESPONSIBILITY

Purchase or use of the product referred above ('the Product') constitutes acceptance of these terms. Any information provided by Vulk Pty Ltd ('Vulk') is of a general nature and should not be taken as advice and is, to the extent permitted by law, provided without warranty as to the accuracy, reliability or completeness of that information. Further, no warranty is provided in respect to the quality, suitability or fitness for purpose of the Product. Expert advice should be taken in respect to any use of the Product.

So far as is permitted by law, any party purchasing or using the Product indemnifies Vulk against and releases Vulk from any claim, liability, loss, cost or similar directly or indirectly arising out of the supply or use of the Product or this technical data sheet. Vulk's liability to any party is limited to cost of replacement or repair of the Product and is reduced proportionately to the extent that an act or omission of any other party contributes to the liability.
