

FINCARE TYRECLEAR

DESCRIPTION

Fincare Tyreclean is a unique concentrated formulation used to debond grease, waxes and rubber from hard surfaces.

Fincare Tyreclean contains low energy surfactants and solvents which penetrate the contaminants and make them easy and safe to remove, leaving the treated surface with no hazy residue.

Fincare Tyreclean offers quick results with very low health, safety and environment risk.

USES

- Ideal for car parks, race tracks, changing rooms and factories
- Suitable for concrete, epoxy coatings and hard surfaces

FEATURES AND BENEFITS

- Use as concentrate or diluted
- Remove heavy build up of grease, waxes and rubber
- Quick drying and safe

APPLICATION GUIDELINES

Dilution Rates:

- **Heavy soiled surfaces**

Apply Tyreclean undiluted to the surface.

- **Lightly soiled surfaces**

Dilute 1 part Tyreclean to 1 to 2 parts water.

Application Method

Dilute material to desired concentration and slowly stir the material until thoroughly mixed. Apply with spray unit or stiff brush at sufficient rate to achieve consistent coverage.

Allow Fincare Tyreclean to dwell on the surface for up to 15 mins or longer for best results.

Clean the surface with brush, mop, vacuum, auto scrubber or pressure cleaner until all contaminants are removed. Rinse all surfaces thoroughly with clean water, noting to wash vertical surfaces from the top down to avoid re-soiling of cleaned areas.

PACKAGING

20L plastic cube

SHELF LIFE

2 year in unopened, factory sealed container stored safely at temperatures between 5°C-35°C.

SAFETY PRECAUTIONS

Always wear adequate personal protection during use including gloves, eye protection, overalls and appropriate mask. Apply in adequate ventilation. Refer to material Safety Data Sheet for further safety information.

DISCLAIMER / STATEMENT OF RESPONSIBILITY

Purchase or use of the product referred above ('the Product') constitutes acceptance of these terms. Any information provided by Vulk Pty Ltd ('Vulk') is of a general nature and should not be taken as advice and is, to the extent permitted by law, provided without warranty as to the accuracy, reliability or completeness of that information. Further, no warranty is provided in respect to the quality, suitability or fitness for purpose of the Product. Expert advice should be taken in respect to any use of the Product.

So far as is permitted by law, any party purchasing or using the Product indemnifies Vulk against and releases Vulk from any claim, liability, loss, cost or similar directly or indirectly arising out of the supply or use of the Product or this technical data sheet. Vulk's liability to any party is limited to cost of replacement or repair of the Product and is reduced proportionately to the extent that an act or omission of any other party contributes to the liability.
